

Episode 197 – Witchy Wildcrafting with JD Walker

Summary:

We venture out into the wild unknown (and our own backyards) with author, Master Gardener, and landscape engineer JD Walker to look at the role of wildcrafting and using local flora in our magical practices.

Please check out [our Patreon page](#)! You can help support the show for as little as a dollar a month, and get some awesome rewards at the same time. Even if you can't give, spread the word and let others know, and maybe we can make New World Witchery even better than it is now.

Producer for this show:

Our Patreon supporter for this episode is the brilliant Achija Branvin Sionach, who also does some stellar bookbinding work over on his page [SpellBound Bookbinding](#). Our immense appreciation goes out to Achija, and to all of our listeners and supporters!
